

# WELCOME TO TDP AUDITIONS

Membership to The Dance Project requires commitment, talent and dedication.

The audition process requires a great deal of planning, and you and your dancer should be very confident about their desire to be a part of our Performing Company.

If your dancer decides to not participate after being selected for any of our Performing Companies, it is unfair to all involved. That spot could have been given to another dancer. Please talk to your dancer about commitment and how important it is to follow through.

## WHAT TO WEAR

Dress the part!! A neat appearance is very important! If you look good and feel confident, this will definitely enhance your performance. Take a little extra time on your hair, and wear something that makes you feel good! If you are older, make-up is preferred.

If you are younger, blush/glitter and lip-gloss is great!

Male dancers should also look neat and wear something that is comfortable and makes them feel good! We want to see you looking your best!

Trust us - we WILL notice if you make an effort!

Females: Wear a black leotard with skintone tights & all dance shoes.

## The Audition Process

### Part 1-Assessment Week May 13- May 18,2024

All dancers wishing to audition for our Performing Company will be required to attend classes during audition week with their appropriate age group, no matter which Performing Company they are auditioning for.

Important: After assessments, we may ask you to come back to a specific callback. EVERY DANCER may not be asked to come to a callback. You will receive callback information via email. There is a possibility you will need to attend multiple callbacks, depending on your age and level. We will take into consideration the company you are interested in when posting callbacks. Dancers will be evaluated on technique, style, performance quality, appearance, and showmanship.

We do not have a set number of dancers/ages that we will select for each group.

### Part Two: Callback Auditions-Sunday, May 19, 2024

The second part of the audition will be callback auditions. This is where we will see you do additional styles of dance, and also see you in specific groups based on which company you are auditioning for. Remember, depending on your age and which company you are auditioning for, you may receive multiple callbacks,

## AUDITION RESULTS

**Audition Results will be posted no later than May 21, 2024.**

We will list each of the new companies by audition number, so it's important to remember the number you are given after you submit your application.

Once results are posted, we will begin emailing everyone with official invitations.
